■The latest offering from the best-selling shooting game series in 8 years revolutionizes flying experience in the sky!

“ACE COMBAT” is the flight shooting game series in which players can enjoy pleasant experience of freely flying in the virtual space faithfully replicating the real sky, in a crisscrossing manner. Like a real flying ace, the players will locate and shoot down opponents and feel a sense of accomplishment by overcoming difficulties that come their way. Since its launch in 1995, the series has exceeded 14 million cumulative shipment in the world. This year celebrating its 20th anniversary, “ACE COMBAT 7” is the latest game in 8 years after “ACE COMBAT 6 – Fires of Liberation”.

Players will be able to enjoy revolutionary flying experience in the sky. It pursued to allow them to freely fly with sense of speed in beautifully rendered cloud-filled sky on the PS4®. Dog-fights with opponents by leveraging ultra-modern super weapons and overcoming difficult situations to fight against super-sized aircrafts will be certain to give players a sense of accomplishment, all of which represent a thrilling story an flying ace will go through.

ACE COMBAT 7

■Comes with Play Station®VR-specificd Content!

“ACE COMBAT 7” will come with PlayStation®VR-specific content, too, which will be introduced by Sony Computer Entertainment Inc. We have received many voices from customers that they want to enjoy the “ACE COMBAT” series in a virtual reality space. The development is proceeding to overlook a panoramic view of land and sky and replicate the flying experience close to reality in which players can feel as if they are really in the cockpit of an aircraft.

BANDAI NAMCO Entertainment Inc. advances planning and development of new product, and is committed to delivering completely new experiences like never before to keep our customer thrilled.
