BANDAI NAMCO Entertainment Inc.

**The second of home video game software “DRAGON BALL XENOVERSE”
whose cumulative shipment exceeded 3.8 million in the world
“DRAGON BALL XENOVERSE 2”
going on sale worldwide in 2016**

BANDAI NAMCO Entertainment Inc. (Headquarters: Minato-ku, Tokyo; President & CEO: Satoshi Oshita) announced that it will globally launch the new action game “DRAGON BALL XENOVERSE 2” for PlayStation_(R)4, Xbox one_(R) and Steam platforms in 2016.

This is the second version of “DRAGON BALL XENOVERSE” launched in February 2015, which has been popular for new types of experience in which players can manipulate the avatar and fight together with characters such as Son Goku and Vegeta, based on the widely popular “Dragon Ball” world, enjoy realistic battle and online cooperation and battling with other players. It has been well accepted around the world, particularly in Europe and the United States, and shipped 3.8 million units worldwide, the fastest record among the “Dragon Ball” games so far.

■Search, cooperation and battling online with more players in the broader game field

The second retains the concept of previous version and offers additional new experience. Players become a Time Patroller to protect the history of Dragon Ball along with famed Dragon Ball characters. Moreover, players will be able to interact with one another in a broader game field, challenge against each other, and cooperate to defeat bosses.

On top of that, the avatar customization feature, which was popular in the previous, has been upgraded. Battle styles can be customized according to players' preference, enabling to enjoy more strategic battles.

BANDAI NAMCO Entertainment Inc. is planning development of the “DRAGON BALL XENOVERSE” series as a game which customers can enjoy for long periods of time.
